Introduction

When editing this document, save often on your own computer.

You may edit the theme (e.g., background, colors, design, fonts) of the poster template by clicking on Design in the top navigation bar.

Highlight this text and paste your own text here to keep existing formatting. This is 32pt text, which is large enough to read when the poster is printed at its final size of 38" x 52".

Know that you can always undo changes by pressing Control/Apple Z

4. Outcome 4
5. Outcome 5
6. Outcome 6

Outcomes Assessed in 2013

1

- Click on this SmartArt to change the design and format (will pop up in navigation menu)

2

- Add more bullet points/arrows by going clicking on the SmartArt then going to Design → Add Bullet

3

- SLO 3...

BA Curriculum Map

Click **Insert** → **Table** for an instant table generator

For more info on rubrics, visit <http://manoa.hawaii.edu/assessment/howto/rubrics.htm>

To edit table look and feel, click on the table and use Design and Layout (in top navigation bar)

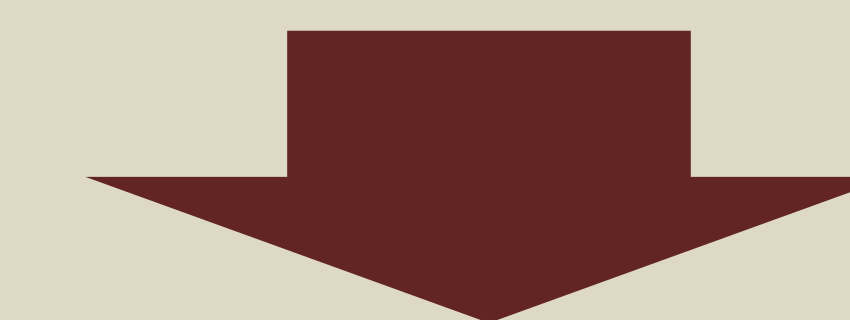

Assessment Methods

Double-click any text box to modify the look and feel of the box (e.g., shading, outline, color, transparency, etc.)

Change the size of boxes (e.g., to fit more text) by selecting the box and clicking/dragging the circle/square indicators surrounding the perimeter of the box.

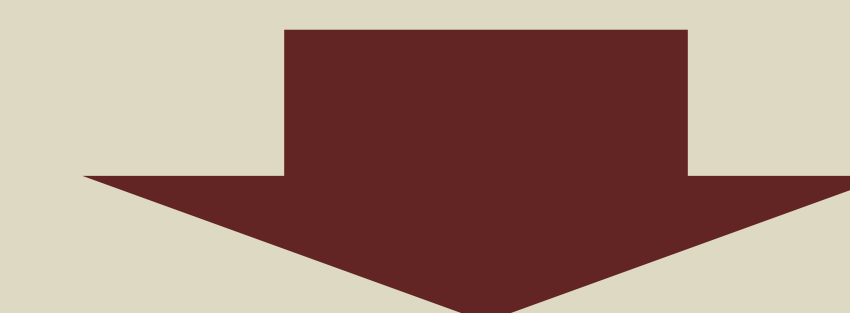

Delete a box by clicking on the outline and pressing delete. Make an identical box by clicking on a box's outline and doing copy/paste or Control/Apple C then Control/Apple V to paste.

Use of Results

Include your own photo(s) by going to Insert → Picture (in top navigation bar).

Double-click on the photo to edit the look and feel (e.g., add a border, crop, rotate, color correct, etc.)

Action Plan

Feel free to contact the Assessment Office for additional guidance. We will look over the final versions to ensure the poster is readable from a distance.
